School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	68.0	67.0	68.0	67.0	48.0	50.0
Mathematics (grades 3-8 and 11)	67.0	65.0	67.0	65.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	46	46	100.00	67.39

Hispanic or Latino	--	--	--	--
White	33	33	100.00	63.64
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	46	46	100	65.22

Hispanic or Latino	--	--	--	--
White	33	33	100	60.61
Two or More Races	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	**	**	**
7	**	**	**

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

CATSS (Canyon Association To Support the School), our parent organization, provides opportunities for school community members to get together socially to share ideas and concerns and to raise funds for the school. New suggestions are always welcome. Traditionally CATSS plans and organizes special events such as the Halloween Carnival and the Annual Auction, which are intended both as community building activities and as fundraisers for field trips and other special activities. CATSS maintains binders containing detailed records of past events and supplies such as signs, props and dishes. CATSS also ensures that there is help and food available at key school events such as school plays, open houses, and graduation. CATSS meets monthly at members' homes, with childcare provided, but participation is welcome even if you cannot attend the meetings. Look for volunteer sign-up sheets in the school foyer. This year's president is Ruby Kane, the treasurer is Libbi Ziegler and the secretary is Dylan Huber.

Canyon Education Foundation is an independent, non-profit organization dedicated to providing long-term support to sustain and enhance the programs of the Canyon Elementary School District. The foundation aims to work closely with the school board and staff and complement the activities of CATSS. The Foundation's current directors are Raphaëlle Steinzig, Cassie Hilaski, and Michael Godwin.

Classroom volunteers. Each class has a volunteer room parent, who works closely with the teacher to communicate with parents and coordinate their support for class activities including performances. (All families are asked to help with special activities in their child's class). Other volunteers, supervised by teachers, tutor students and help with in-class activities.

Lunch and playground volunteers distribute lunch cards and provide lunchtime playground supervision. They are invited to eat lunch if they want to. They are responsible for knowing and enforcing the School's behavior guidelines (Be Safe – Be Kind – Do Your Best) as well as specific rules for student behavior at lunch (students should sit while eating, not throw food, use indoor voices and walking feet when indoors, etc.) and on the playground. They should be ready to use conflict resolution procedures in case of disputes between students. Lunch and playground volunteers work under the supervision of School staff.

Snack providers bring healthy mid-morning snacks for children in each classroom. Snacks are not meant to satisfy students' hunger or spoil their appetites for lunch but only to tide them over, so small portions are definitely in order. Snacks may be left in the classrooms at the beginning of the school day; if it is necessary to put them in the refrigerator, be sure that they are labeled and that the teacher knows about them. Appropriate snacks include fruit, vegetables, bread or rice cakes, perhaps accompanied by cheese, peanut butter, or salsa. PLEASE DO NOT BRING SWEETS OR HIGH FAT-CONTENT FOODS! Although children often appreciate them, such snacks can lead to tooth decay, obesity, and other health problems and they may contribute to behavior problems. Schedules for snack volunteers are provided by room parents. Participation is voluntary – all families are asked to participate, but they may tell the room parent that they do not wish to. No child will be denied snack.

Field trip drivers/chaperones are usually recruited from, but not limited to, the parents of the students who are going. Drivers must have submitted required forms to the School office certifying that they have an appropriate level of car insurance, that their cars are in safe condition, and that they have seat belts for all passengers. Car assignments are made by teachers or school staff and should never be changed without their permission, because it is essential to know who is riding with whom. Drivers are provided with emergency information cards for all children in their care. Drivers and other parents who come along also serve as chaperones during the field trip. Chaperones are expected to remain attentive, model appropriate behavior, assist wherever necessary in supervising students' behavior, and follow the instructions of the teacher in charge. They should refrain from buying treats or souvenirs for their own children unless they are prepared to do the same for all students. Each chaperone should continuously monitor the children from their own car group for the duration of the field trip. [Field Trip Driver's Information Forms are included in the summer mailing]

Garden volunteers work with teachers and students in class activities, coordinate with the food services manager to provide produce for lunches, and care for the garden outside school time.

Housekeeping volunteers (including Summer Work Day volunteers) perform tasks such as moving furniture for floor cleaning, cleaning out roof gutters, spreading ground cover in the playground, dusting high shelves, and cleaning windows. Many of the tasks are suitable for children, who can take part under a parent’s supervision. This is easy but necessary work, and all families are asked to participate – those who cannot attend organized summer or weekend work days should contact a staff member about completing housekeeping tasks at other times. Special events helpers (many of them for each event) take care of publicizing, setting up, catering, cleaning up, and providing thanks and acknowledgments. CATSS coordinates helpers for all special events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;

School Safety Plan (School Year 2018-19)

The District has developed a comprehensive safety plan, which includes procedures for responding to disasters, threats, and ongoing safety concerns. A copy is available for review in the office. In accordance with the safety plan, regular fire drills and inspections are conducted, safety issues are discussed in classes and assemblies, and members of the teaching staff receive training in first aid.
